

**Proposed Recipient:** Children's Healthcare of Atlanta School Nurse Liaison Program

**Address of Recipient:** 1600 Tullie Circle, NE, Atlanta, GA 30329

**Amount of Request:** \$400,000

**Explanation of Request**

**Purpose:** The liaisons assist with reentry into school of recently discharged patients from Children's and other hospitals educating the child's school nurse, teachers, and classmates on the day-to-day management of the child's condition.

**Why is it a good use of Taxpayer funds:** For many of these children, their school nurse may be the only healthcare provider they have regular access to. The School Nurse Liaison program serves as a national model for the ability to assist in the development of school wellness policies.
